Hi Sharon,

Thanks for letting me know that Judy Binegar was assigned to Pavillion, but that nobody has since been reassigned. Here is the request regarding the Pavillion Groundwater Study site. They're (ORD) looking for this by COB tomorrow.

The request was: provide for the record the amount spent by EPA for all testing and any other assessments and other work done by the Agency and related hydraulic fracturing at Pavillion, Wyoming.

In Aaron's absence, would you be able to help me out with this? Or do you want me to ask Kelcey for guidance on who to work with?

Rob

Hi Rob,

Aaron is the only one who is listed for Pavilion. Judy was assigned to it but I do not believe that it was ever re-assigned.

Kelcey/Aaron, I wouldn't mind working on it.

Sharon
